**ORDER CONTINUING STATUS CONFERENCE  
AND FINDING EXCLUDABLE DELAY**

The court today conducted a telephone status conference with counsel and was advised that Dr. Nixon's psychological evaluation of defendant will be set forth in a report to be filed by the end of July, 2012. The parties request a status conference on August 20, 2012, at 9:00 a.m., to determine whether competency remains an issue in this case.

The parties further stipulate that the extended time period until the August 20, 2012 status conference shall constitute excludable delay for purposes of the Speedy Trial Act given that the court must determine questions of defendant's competency prior to trial.
